

7th International Student Medical Congress in Košice

24th - 26th of June 2015

Dear students and doctors,

it is my great pleasure and honor to invite you to Košice for the **7th International Student Medical Congress!** Application process has already started! Here you can find all the necessary information to consider before you apply.

7th International Student Medical Congress (ISMCK 2015) is taking place in Košice, Slovakia 24. - 26. 6. 2015 and invites all medical students and doctors to present their research papers. Our congress is the result of the effort by a group of medical students and alumni from **University of Pavol Jozef Šafárik in Košice**. Our goal is to strengthen the international cooperation among medical students worldwide. We are thrilled to hear your ideas in both oral or poster presentations. You can send papers concerning **clinical medicine, public health, dentistry, pharmacology, basic science and PhD research papers**.

As every year, there will be rich program in both medical and social fields. You can join trainings, skill sessions and lectures or simply enjoy our cultural program. Come and share scientific ideas, subjects and opinions!

Registration process is in progress on www.ismck.com and deadline for submission abstracts is on 1st March 2015. Deadline for passive registration is 30th May 2015.
