

## First Year Medical, Dental Medicine and Pharmacy Student ORIENTATION Academic Year 2017/2018

Orientation activities for the first-year medical, dental medicine and pharmacy students take place over several days. A number of activities have been designed to introduce students and their families to medical school realities and to formally induct new students into the profession of medicine, dental medicine and pharmacy.

Major activities include:

### Mandatory orientation

**August 29, 2017** (Tuesday) 10:00 - for the English Medical program, English Dental Medicine and English Pharmacy students

**Place:** Educational Center / Lecture Hall (Dóm tér 13., first floor)

**August 30, 2017** (Friday) 10.00- for the German Medical program students

**Place:** Ophthalmology Clinic / Lecture Hall (Korányi fasor 10-11.)

#### Your attendance is mandatory.

At that time, you will receive important program and enrolment information including detailed information on how to calculate your credits or obtain a residence permit. Please, bring your valid passport (non-EU) or national identity card (EU) for the registration.

Dress code: Smart Casual. Family and friends are welcome.
