

Are you thinking of doing your residency in Sweden?

Would you like to get information about:

- **the Swedish medical licence**
- **work and residence permit**
- **language requirements**
- **passing the Svenska läkarlegitimations examen**
- **the introductory training period**
- **specialty training**
- **working conditions**
- **hands-on practical work experience**

If your answer is „yes” to any of these questions, come and hear what some of our former students have to say about the various aspects of residency programs in Sweden.
