For course registration use [the recommended study plans](#).

Please note that it is both your right and obligation to sign up for every compulsory course before the course registration period closes.

As per the current [Academic and Examination Regulations of the University of Szeged](#), altering your course registration (adding or dropping courses) after the Neptun course registration period ends is only possible until **February 25, 2022** by submitting [this form](#). After this deadline, late course registration or deregistration is only possible by using one of your three exceptional permissions made available by the Dean.

The fee for the late course registration/deregistration: 1500 HUF procedural fee + 500 HUF/ subject.

If the student's academic progress does not follow the suggested study plan, the tuition fee is calculated according to the table below:

Fee of attending <u>three or more</u> compulsory subjects	100% of one semester's tuition fee*
Fee of attending <u>one or two</u> compulsory subjects	max. 50% reduction of one semester's tuition fee can be requested by filling in the course registration plan *
Fee of attending solely compulsory elective/elective/former criteria subject(s)	max. 50% reduction of one semester's tuition fee can be requested by filling in the course registration plan
Fee of taking (one or two) examination courses exclusively (if you are eligible).	max. 50% reduction of one semester's tuition fee can be requested by filling in the course registration plan

*Examination course fee/compulsory elective/elective/former criteria subjects included.

Obtain an active student status: You are required to obtain an active student status each semester. Once you complete all the registration requirements, your status will switch to active on Neptun.

Requirements of obtaining an active student status:

- **Your tuition fees have to arrive** to the University's bank account by February 21, 2022. Please make sure that your fees are paid well in advance (preferably weeks) so that they arrive by the deadline.
- You need to be **registered for a subject** worth at least one credit point on Neptun.

UNLESS YOU OBTAIN AN ACTIVE STUDENT STATUS BY MARCH 11, 2022, YOUR STUDENT STATUS WILL SWITCH TO PASSIVE AND YOUR COURSES WILL GET DELETED ON NEPTUN. Furthermore, you are not eligible to receive certificates or academic transcripts until your student status is active.

Attendance of classes: If the absence does not exceed 15% of the total number of classes, students are not required to provide a certificate justifying the absence. If the absence falls between 15% and 25% of the total number of classes, students may only make up for the missed classes if they provide a certificate. The departments have the right to refuse the acceptance of a semester if the student missed more than 25% of the practices and did not make up for the absences.

Obligation to report changes to the Secretariat: If there is a change in your personal data (address, e-mail address, telephone number etc.) you are required to notify the Secretariat and correct the data on [NEPTUN](#) yourself (under My data/Contact information).

If you have to leave Szeged for a longer period of time during the lecture period due to reasons beyond your control (hospitalization, extraordinary family issues), you need to put in [a formal request](#) via e-mail sent to your academic officer.

ATTENTION!

According to the [Faculty Academic Regulations of the Faculty of Medicine](#), a maximum of 2 failed courses can be carried over to the subsequent semester as an **examination course** (if it is announced by the department concerned). **Incomplete courses can be taken as examination courses only if the student had at least one examination attempt (failed (1) examination) and s/he has not taken an examination course previously in the subject concerned.**

Please pay close attention to the number of your course registration chances. You are entitled to sign up for a course for a maximum of 3 times depending on the number of exhausted examination chances: **1 first course registration, 1 examination course, 1 complete repeat.**

Under the present Higher Education Act, students who started their studies in the academic year 2012/2013 or later can repeat an examination in a subject 5 times during the whole course of studies (you have 6 examination chances altogether in any given subject).

Fourth examination chance: In accordance with 14.2 of the [Academic and Examination Regulations of the University of Szeged](#), "an unsuccessful examination may be retaken twice in a given examination period, except for instances in which the student only has a single unsuccessful examination left in the given examination period, in which case — holding a permit issued by the academic office —, he or she may take a third retake examination."

If you need to repeat at least one—or more—course(s), you are required to fill in [the course registration plan](#). Please read the declaration at the bottom of the plan and note that the list of courses you put on the course registration plan has to be identical to the courses you register for on NEPTUN. If you make any changes to your NEPTUN course registration, you are obligated to fill in or correct your course registration plan. You are required to sign up for your courses on NEPTUN yourself at all times, and therefore nothing you put on the course registration will be registered for you. Please note also that it is your responsibility to check for subject preconditions when you register for subjects on NEPTUN.

You can refer to **academic regulations** [here](#).
