

Generali Studium health insurance acquisition process

In effect from the first semester of the academic year 2019/2020

In the first semester of the academic year 2019/2020 every Generali Studium insured students will get a new Generali Studium health insurance card and contract.

If you have a Generali Studium health insurance from the second semester of the academic year 2018/2019, it is valid until September 30, 2019. After this date, you can't use your insurance card and contract from the previous academic year, **you need to get a new one from the Students' Service Office (HSZI).**

How to obtain your health insurance for the new semester:

1. Students having started their studies **in/after the academic year 2015/2016:**

The Generali Studium insurance is included in the tuition fee of those students who started their studies in the academic year 2015/2016 or later.

You can collect your health insurance from the Students' Service Office (HSZI) in the university library (TIK) after your status has been activated on Neptun. Your status will be changed from "undetermined" to "active" on Neptun after your tuition fee has been credited to the university's account and you completed the registration requirements for the semester.

The reception hours of the Students Service Office (HSZI, TIK university library, address: Szeged, Ady tér 10.):

- Between September 2 and September 13, 2019: 8.00 – 16.00 on weekdays.
