 - has a presentation or poster accepted for a professional/scientific conference.

What to attach:

1. mobility application form
2. SZTE Student Mobility Grant Contract
3. Student Mobility Grant - Supplementary Form
4. detailed motivation letter in English and/or in the language of the placement (max. 1 page)
5. detailed, goal-oriented work plan in English and language of the placement (max. 1 page)
6. copy of invitation letter
7. 2 recommendation letters of Medical School teachers
8. certificates:
 - i. index extracts from the last two completed semesters (available from the Academic Office)
 - ii. copies of the language examination certificate(s)
 - iii. certificate of student research activity from the supervisor (student scientific work, conference participation)
 - iv. certificate of demonstrator activity

Not required, but may be put in the application documentation:

- v. student union activity (exact name and duration of the activity)
- vi. list of other student work or achievements during the academic years; any work that the student considers important for the application to be considered favourably

How to submit:

- Applications can be handed in at the Dean's Office of Albert Szent-Györgyi Medical School (109 Tisza L. krt), to Kornélia Szűcs-Tettinger, Monday-Thursday from 8 am to 4 pm, Friday from 8 am to 1 pm
- Applications can be submitted at any time up to 3 months before the planned departure and up to 1 month after the return.

- Applications are assessed by the Faculty Student Mobility Committee, which meets at least 3 times a year and decides on the applications.

Other actions to be taken:

In case of a positive decision, you will have to submit a certificate of the completed internship, the opinion of the consultant doctor (to whom you were assigned) and your report on the internship to the Dean's Office. The internship report is required in English (or the language of the internship). The awarded grant will be transferred only after proof of the internship or conference participation.
