

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY		
8-8.45	Preclinical Course of Operative Dentistry 1. Lect. Building B, Yellow Room	Preclinical Course of Prosthodontics 1. Lect. Building B, Yellow Room	Social Policy for Dental Students Big Education Center Room 49. (2 hours in every two weeks)	Biochemistry 2 Lect. Lecture Hall of Dep. Of Ophthalmology, Kahán Ágost Room	Preclinical Course of Operative Dentistry Seminar 1. Building B, Yellow Room		
9-9.45	Oral Biology Lect. Building A, Lecture Hall	Preclinical Course of Operative Dentistry 1. Pract. Dent 1.,3. Training Laboratory				Medical Anthropology Seminar Jancsó Koll. Room 2.	Hungarian Language 4. Dent 1,3. Small Education Center Room 6.
10-10.45			Oral Biology Sem. Building A, Lecture Hall	Physiology Seminar 2 Dent 2.,4. Big Education Center Room 24.	Hungarian Language 4. Dent 1,3. Small Education Center Room 6.		
11-11.45	Selected Methods in Modern Biology Lect. Building B, Yellow Room	Preclinical Course of Operative Dentistry 1. Pract. Dent 2.,4. Training Laboratory				Biomaterials and Biocompatibility in Dentistry Lect. Building B, Yellow Room	Hungarian Language 4. Dent 1,3. Yellow Building behind the New Clinic, Room 2.
12-12.45			Physiology for Dental Students 2. Lect. Lecture Hall of Dep. Of Physiology	Physiology Seminar 2 Dent 1.,3. Jancsó Koll. Room 4.	Medical Sociology Lecture Big Education Center Room 49. (every second week)		
13-13.45	Physiology for Dental Students 2. Pract. Dent 1.,2.,3.,4. Practice Laboratory of Dep. of Physiology (10 Dóm square)	Biochemistry Seminar Big Education Center Ivánovics György Lecture Hall (together with general medicine students)				Reflecting on a Locality: Communication, Culture and Social Change in Szeged B Building, Yellow Room	Molecular Developmental Biology Lect. Big Education Center Room 26.
14-14.45			History of Hungary 1848-2004 Lect. Building B, White Room	Perspectives of Hungarian Culture Lect. Building A, Lecture Hall	Hungarian Literature Lect. B Building, White Room		
15-15.45	Physiology for Dental Students 2. Pract. Dent 1.,2.,3.,4. Practice Laboratory of Dep. of Physiology (10 Dóm square)	Biochemistry Seminar Big Education Center Ivánovics György Lecture Hall (together with general medicine students)				Reflecting on a Locality: Communication, Culture and Social Change in Szeged B Building, Yellow Room	Molecular Developmental Biology Lect. Big Education Center Room 26.
16-16.45			History of Hungary 1848-2004 Lect. Building B, White Room	Perspectives of Hungarian Culture Lect. Building A, Lecture Hall	Hungarian Literature Lect. B Building, White Room		
17-17.45	Physiology for Dental Students 2. Pract. Dent 1.,2.,3.,4. Practice Laboratory of Dep. of Physiology (10 Dóm square)	Biochemistry Seminar Big Education Center Ivánovics György Lecture Hall (together with general medicine students)				Reflecting on a Locality: Communication, Culture and Social Change in Szeged B Building, Yellow Room	Molecular Developmental Biology Lect. Big Education Center Room 26.
18-18.45			History of Hungary 1848-2004 Lect. Building B, White Room	Perspectives of Hungarian Culture Lect. Building A, Lecture Hall	Hungarian Literature Lect. B Building, White Room		
19-19.45	Physiology for Dental Students 2. Pract. Dent 1.,2.,3.,4. Practice Laboratory of Dep. of Physiology (10 Dóm square)	Biochemistry Seminar Big Education Center Ivánovics György Lecture Hall (together with general medicine students)				Reflecting on a Locality: Communication, Culture and Social Change in Szeged B Building, Yellow Room	Molecular Developmental Biology Lect. Big Education Center Room 26.
